2	[consent]	Welcome and thank you for your interest in this study! 📄 With this survey, we aim to explore how family and romantic relationships intersect with scientific careers. This project is part of a doctoral dissertation by Blandine Ribotta at the École Polytechnique Fédérale de Lausanne, supervised by Prof. Dr. Bruno Lemaitre (EPFL) and Prof. Dr. Peter Hilpert (UNIL); in collaboration with Dr. Antonia Velicu (UZH). ✅ You can participate whether you're currently single, partnered, with or without children. 🕒 Estimated time: 10-15 minutes. ❓ For full details, please see the attached Information Sheet for Participants, which explains the study, your role, and your rights. If you have any questions, feel free to contact us.	descriptive
3	[consent3]	Section Header: To begin the survey, please read the consent information below. As a participant, I declare that I have been informed by the Principal Investigator about the objectives and the course of the project, as well as the presumed effects, advantages, possible disadvantages and possible risks. I am taking part in this study voluntarily and accept the contents of the information sheet I have been given about the above-mentioned project. I have had sufficient time to make my decision. I understand that my personal data are protected and will only be used in an encrypted/ anonymized manner. I can revoke my consent to participate in the study at any time and without having to justify myself, without any adverse effects and I have been duly informed of my rights to use my personal data. I agree that my	descriptive

		anonymized/encrypted personal data may be published on a publicly accessible register or other medium and I have been informed that third parties may re-use this personal data. By clicking "I agree to participate", you confirm that you have read, understood, and accepted the terms outlined above, and consent to take part in this study. The survey will start immediately. If you do not wish to participate, you can simply leave this page.
